# BIBLES FOR ZAMBIA

**We're All God's Children is on a mission!**

Our goal is to purchase over 1000 Bibles to be distributed to pastors and residents of rural villages throughout Zambia.

We're All God's Children recently sent a mission team to a small village in Zambia to dig a well and begin construction on a brick schoolhouse. At a meeting with chiefs representing villagers across the country the question was asked, "What else can we do for you?" The answer was immediate, "Please send us Bibles!"

Now you can be a part of bringing God's Word to thousands of people throughout the country of Zambia. **Your donation will ensure the delivery of Bibles directly into their waiting hands.** "We are a little rope that they are holding onto from the outside Christian world, and I would love for them to feel a weight on that rope, pull it in and find the Bibles that they need in their hands," said Tanya Brenneman, our contact in Lusaka.

Jesus said, "Go into all the world and preach the Good News to all creation." (Mark 16:15) We praise God and give Him the glory for opening the doors wide to our brothers and sisters in Zambia. Please help us bring the light of God's love to those living in bondage. Join us in answering the call and send your tax-deductible donation today!
